

Industrial 12"/15" computer/screen

1210 and 1510

- Closed version for industry
- Touch screen option
- Slim design
- Low energy consumption
- Only available as industry screen

Integrating screen and computer

1210 and 1510 computer are a breakthrough for a slim and compact, new computer generation.

Large communication capacity

Multiple ports for network, printer etc. makes 1210 and 1510 very versatile.

Close casing

All aluminum casing. Customer adapted finish is available, varnish or exolated e.g. For harsh environments model 1520 is ideal due to its dust- and water protection.

Slim design

Both 15" and 12" only measure 6 cm thickness which makes installation easy. Office versions of 1210 and 1510 have no fan which makes them extremely silent.

Options

Touch screen and external CD/DVD.
